Re: Plan Modification, Tailings Pond Expansion, M/047/007, Chevron Resources, Uintah County, Utah

Thank you for forwarding the plan modification specifications regarding Chevron's tailings pond. We will ask the operator to finalize these modifications with your office then submit the final plans to us to be inserted into the existing MRP currently filed with us.

The Division has reviewed this information and has no further comments or requests to make, at this time, regarding the operator's proposal.

Sincerely,
